

For Senior Citizens: Homeownership Incentive Presented at Rancho Mirage Mobilehome Community

RANCHO MIRAGE (Feb. 22, 2007) – Rancho Mirage Mobilehome Community announces a special homeownership incentive for senior citizens.

The resort-style manufactured home community offers six months of free rent for senior citizens age 55 and older. “Housing prices remain high in California, and this program can help senior citizens to purchase a home at an affordable price,” said Mike Cirillo, General Partner for Star Management, which owns and operates Rancho Mirage Mobilehome Community.

New homes are now available for sale, for less than \$130,000 each. A half-year without rent payments can help senior citizens afford to get into a new home in a comfortable setting.

Rancho Mirage is a resort-style, land-lease community with two pools, a Jacuzzi, gymnasium, saunas, a pond, and lush landscaping. More than 70 spaces are available for installation of newly purchased homes; installation timing can vary depending on sales.

Rancho Mirage is located at 69-975 Frank Sinatra Drive, in Rancho Mirage. For more information call (760) 324-0805, or visit www.RanchoMirageMHC.com.
